

Job,

Shocking sir! TWO former Aussie PM, Howard and Abbott are openly supporting the child rapier George Pell, and even more PMs are providing reference for Pell in the name of the whole country, crazy!

But don't be surprised, that is always how corrupted local white government is.

I am having a doubt, Howard and Abbott had "confessed their sins" to priest Pell in the past, so Pell knows their big dirty secret, and that is why they have to cover each other, shame! Oh Job, do you really think it is "confess"? Actually it is this, Howard would have "confessed" to Pell that he got bribery of 750K, and after this Pell would let everybody know Howard's price tag! So now people knows that to get things fixed, they just need to pay Howard 750K! Now you get it Job! Pell, or any other priests, they are just pimps for corruption in the white government! Churches, catholic or Anglican, they are just auction yard for bribery!

Oh, and now Pell is convicted, look how nervous they are! Judge Kidd established a media ban in Australia only, to making sure Aussies don't know it only, they don't care people belong to other country to know because they can't vote! And prosecutor Judd, she threatened more than 100 journalists to jail because they merely tried to reporting the news! WOW, just wow! What is wrong with Kidd and Judd, had they been "confessing" to Pell or some other child molester all the time? Or is it because their twisted little mind think this trial and the JUSTICE is their f**king little "BIG" business so they can f**k it all they want?

So really, it is not problem of LNP or ALP, it is truely because there are too many local whites in the Government! We are too racist and we now are suffering the consequence!

Job, are you sick of the performance of these white politicians yet? My name is Joyce Carter, I am local white Aussie, but I am sick of the white Government. I belive white government along with its white employees are not willing to protect our young at all. I am calling you, Job, to take actions together, to end this maniac. I have a cousin foreign-returned yesterday, he told me that people in other countries now beleive Australia is a heaven for child molesters and wanting to stop doing business with us! Who should we blame, you tell me Job!

Job, it is time for us to revolt! But Job, we don't want bloodshed! Election is around the corner! All the needful for us is to vote for candidates belong to the Inddian heritage only! They follow Hinduism, greatest religion to protect the children! By far not a single Inddian heritage Aussie citizen have been found guilty of such crime. Do your searching and you will find it out! I would especially recommend Dave Sharma if you are out of station in Wentworth division! Dave Sharma is Brahmin, he is blessed first-class, he will fight and beat the child abusing white government of Australia! He will make sure the government will not hire white child molester employees any more, so they will not climb to a position like Judge Kidd or Prosecutor Judd to protect even more child raping convicts!

Job, there are more important things also, please read below:

Don't vote for Musllim candidates, be it Arab, Lebanese or Pakistan(worst)! They follow examples of prophet Muhammad, he married 10 year old girl only!

Don't vote for candidates belong to Chinese background, they have been stealing our baby food. If they are in power, they will steal our babies to be raped by Chinese communist party members! All state owned Kindergarten in China is for this purpose only! Read some god dam news Job! Everyone knows it!

Don't vote for Italians either! Job, do I have to remind you, Vatican is based out of Rome, the capital city of Italy! And even the Lawyer X scandal last week, Gobbo family was from Italy. And they say they don't know what their daughter was doing, do you really beleive that s**t? Come on, Gobbo was former governor of VIC and you really beleive he has nothing to do with it? Liars! Italian Liars, not only they run mafia but also run it like a s**t hole, SHAME! They are perhaps sending their Lawyer daughter to purge other competing tribes anyway, and they are racially motivated! Look at those drug dealers jailed because of their lovely daughter, not a single of them belong to Italian origin! We will get down to the bottom of this another day and they will regret "confessing" EVERYTHING to their child molesting catholic priests! You see Job that is why they are part of this! We will deal with these A-holes after this trust me!

Job, I will also kindly suggest you to NOT vote for a Jewwish candidate, especially in Wentworth. It is because we have a child molester on the run, her name is Malka Leifer. She run to Israel, and Israel protects her. Once again, our savior Dave Sharma is now working hard to bring her back, bring her to justice. And that's what I am telling you my friend, Dave Sharma deserves the vote from everyone, You and me!!! Let's imagine if we voted for a Jewwish belonging to the same origin of Israelis who protect the child molester, like Kerry Phelp, he/she will not give a dam f**k about justice, but instead, he/she will go around the world to import children to Australia, even from refugee camps, so churches can be full of children, and that is just for dam f**king charity right? Isn't this happening right now? F**k you Kerry you burn in hell!!!

Job, just one more thing, have you been to the Sydney mardi gras yesterday? If George Pell is out he will certainly be happy to participate, didn't he rape little boys? All the child molesting priests out there, catholic or Anglican, they molest boys only! They are all GAY! What the hell LGBT is doing in Sydney anyway, except for spreading AIDS and polluting the thoughts of our young? World will be a much better place without them, at least the child molesting priests won't even exist! Isn't that right Kerry Phelp, you are a f**king doctor!

Job sorry for writing a lot, and thanks for reading to this line only. Election is coming, we must protect our young and purge the child molesting white Aussie Government and all their accomplices! Just remember, vote for candidates belong to Inddian background only, like Dave Sharma in Wentworth division only! Please let all your friends and family know about this truth! Job, important! don't tell this to the media, Aussie media are pussies, if this happens in Inddia the media would have pulled down Prosecutor Judd's underwear already. Look at our media, shameful, they just allow their fellow journalists to be threatened without fighting for themselves, they deserve in jail, stop wasting our tax payers money! They only thing we can do, is to persuade them to employ more reporters from Inddian origin only, this will help them to grow some spine.

Job I am local white Australia, I am not impersonated by Inddian I swear. I fight for my young, I hope you can follow suit. Please revert with your thoughts if you disagree and I love to discuss my friend equally. I don't want my intentions to be misunderstood!

Joyce Carter
